

Instruction how to make pictures for a handanalysis

Pictures curtesy of iiha.com

<https://youtu.be/0dkEPFphbTc>

Instructions

- Seek help to make the pictures - it's easier to capture
- Make all pictures first for one hand and then the other
- Name the pictures with your name and left / right
 - *Pascal_LP1 or Pascal_RP1)*
- Send the highest resolution possible
 - At least 14 file,
 - if you like send more then one take and label them (*Kathrin_LP1.1*)
- You may want to use WeTransfer – a free of transfer service for up to 2GB
